

## **Lewis Ginter Recreation Association 2010 Bounty Program**

If you have a friend, family member, neighbor or coworker interested in joining our fabulous pool, schedule a time to accompany them on tour with our Facility Director, Cathy Yohai so that they can see firsthand why LGRA is so great!

### **Earning \$50 has never been so easy!**

If the tour concludes with your prospect and his or her family becoming a new member, your family will receive a check for \$50. You will receive your reward at the completion of all necessary paperwork and full payment\* of their initiation fee and dues.

### **The Fine Print**

-  The cash reward is \$50 per family unit, regardless of the number of members in the new family.
-  Referrals must be individuals who have never been in contact with the LGRA about membership before you provide their name to the LGRA. Acting as a sponsor for a new member does not qualify as a referral.
-  Referrals must provide your name at the time they contact the LGRA office for you to be eligible. Once you have referred your new member you may then fill out the paperwork to be one of the two needed sponsors for membership.
-  Each LGRA family is limited to 2 referral rewards.
-  All LGRA families are eligible, including board members.
-  Complete rules may be obtained in the LGRA office.
-  This offer expires June 30, 2010; however, we reserve the right to terminate the offer at any time without notice.
