The deposit and signed contract are needed to guarantee the date. This is a refundable deposit that is contingent on ensuring that everything in the rented area is returned to its original condition and the keys are returned to the Facility Director.

The janitorial fee is mandatory unless the janitorial service is requested. The janitorial fee insures that the building will be neat and tidy for your event.

The *janitorial service will set up and break down furniture and clean the rented area and bathrooms for an agreed upon price. This must be arranged when the contract is signed.

Full payment is due two (2) weeks before the event. At that time the keys to the building will be issued.

If alcohol is to be served please remember an ABC License is required of which LGRA must have a copy one week prior to the event.

You may obtain an application online <http://www.abc.virginia.gov/licensing.html>
